LETTER

Sir:

In response to the Notification of Missing Requirements under 35 USC 371 in the United States Designated/Elected Office, dated Feb. 27, 2002, Applicants offer the following remarks.

The notice indicates that nucleotide and/or amino acid sequence disclosure of the application is not in compliance.

Applicants submit that the present application does not disclose any subject matter directed towards nucleotide and/or amino acid sequences.

The present application is directed towards alkoxyamines for the preparation of functionalized macromers.

Applicants submit that the Notification of Missing Requirements is erroneous and that the present application is complete.

The PTO is respectfully requested to withdraw the Notice of Missing Requirements.

These remarks are submitted within the time period for reply and no extension of time is required.

Respectfully submitted,

Tyler A. Stevenson
